Advising Info

Here's what you need to know:

Academic Planning is ESSENTIAL for timely graduation.

Grades of 'C-' or better are required for pre-requisite & required courses in majors, minors, and for all university core requirements. 2.0 cumulative GPA is required to graduation from MSU.

Plan for pre-requisites; they are enforced:

- You can see pre-requisites in DegreeWorks or in the online course catalog
- The computer WILL NOT let you register for a course for which you don't have the pre-requisite.

Key Accounting Pre-Req Sequences:

*ACTG 223 → ACTG 327 → ACTG 328 → ACTG 411R

*BFIN 322, BMKT 325, BMGT 335, BMIS 312, BGEN 361 & BMGT 322 → BGEN 499

You get electives; use them wisely! Recommended electives:

Non-business/non-economics electives:

- 40% of 120 (48 credits) required
- Use DegreeWorks to track your progress
- Don't leave them until your senior year!

120 total credits are required to graduate from MSU (in any major). Use DegreeWorks to count your credits. Most Business majors need a handful of **free electives to reach 120 total credits.**

Residency Policies:

- **Jabs:** Of the upper-division credits required for business students, at least 18 credits and BGEN 499 (4 credits) must be taken at Jabs.
- **MSU:** 23 of your last 30 credits must be taken at MSU (does not include study abroad).

Jabs Advising FAQs:

How does advising in Jabs work?

- New students (1st year & transfer) and all 1st & 2nd year students are advised by professional advisors in the Jabs Office of Student Service (OSS).
- As students move into year 3 & 4 they transition to a faculty advisor.
- All students work with Jabs Office of Student Services to apply for graduation and have their degree certified. See below.
