Volunteers Needed

In 4-H, volunteers are vital to carrying out the program's mission and vision. Montana's 4-H youth development program relies on our volunteers. No matter your schedule, there's a way for you to make an impact through various roles and time commitments. As a volunteer, you are a dynamic part of the organization. You play a vital role in the ongoing growth and development of those in the 4-H Youth Development program.

Please check 3 events you would be interested in helping with during this 4-H Year.
By checking these boxes, you are not committing to volunteering to these events, but you may be contacted to see if you are available to help if volunteers are needed.
If you are able to volunteer for 2 or more County Events (per member), you can be taken off the list for working the Food Booth during fair week if you would like.
