Dear Applicant,

Thank you for requesting funds from Gallatin County 4-H. Following is some information that you should know as you fill out this request.

The purpose of these funds is to grow Gallatin County 4-H by supporting expenses associated with camps, workshops, trainings, money for projects, etc. Please note that your request may be funded in full or in part, depending on the funds available. We do request that each individual complete a form to be considered for funding. This form must be submitted **PRIOR** to the event occurring!

Finally, we would appreciate a written or verbal report or a thank you note as a follow-up to the event. This helps us to know more about the event for coming years. Also, we would encourage you to take your experience and complete a follow-up activity. Some examples would be submitting an article for the county newsletter, presenting a project to your club or another club, displaying a project at a public event, displaying a project at the Big Sky Country State Fair, helping with concessions at the Big Sky Country State Fair, etc.
