Sale Order

The Livestock Sale will begin with the Grand and Reserve Champions, followed by exhibitors earning purple, blue, and red ribbons. Sale order by species will be: Swine, Beef, Rabbit & Poultry, Sheep, Goats.

Within each species, animals will sell according to ribbon placing.

Woodworking, welding, leather, photography, quilting and more will be included in the sale. These items will be available for preview during the fair and prior to the sale.

What can you do with your livestock purchase:

Take It Home

Buyers may take possession of their animal and arrange for their own processing.

Donate It

Animals may be donated to a local charity or organization.

Local Processing

We can deliver animals to local processors. Buyers are responsible for all processing and packaging costs.

Resale Option (Not available for rabbits or poultry)

With resale, the buyer supports the exhibitor without taking ownership of the animal or meat. The animal is sold at its current market value, and the buyer pays only the difference between the final bid price and the resale value listed in the sale catalog.

Resale animals do not return to the sale ring and are not resold during the auction.

Example:

Final Bid Price: \$10.00/lb

Resale Value: \$2.00/lb

Buyer Cost: \$8.00/lb

OTHER WAYS TO SUPPORT

Add-on Donations

Support an exhibitor with an add-on donation of any amount, in addition to the final sale price. Add-ons may be made before, during or up to one week after the sale. All add-on donors will be registered buyers.
