MONTANA
STATE UNIVERSITY

Office of the Provost

Dear Faculty and Staff,

Montana State University will be extending the moratorium on university-affiliated international travel to August 17, 2021.

Due to the unpredictable nature of COVID-19 as well as uncertain vaccine timelines for other countries, we are erring on the side of caution to minimize the risk to our students, faculty and staff until we can evaluate the situation beyond August.

If you have questions about this temporary travel moratorium, international travel programs or university affiliated international travel, please contact the MSU Office of International programs, (406) 994-4031, international@montana.edu.

Sincerely,

A handwritten signature in blue ink that reads "RL Mokwa".
